Tubman's Annual

HOLIDAY GIFT PROGRAM

A Season of Hope: Your Gift Can Illuminate a Path

For more than 25 years, our compassionate community has been the backbone of Tubman's Annual Holiday Gift Program. Thanks to your unwavering support, the 2023 Holiday Gift Program provided **325 people** with gifts to celebrate the holidays with their loved ones. Every gift you provide does more than just brighten a day – it illuminates a path towards safety, hope, and healing.

Your generosity eases the burden for people in crisis, allowing them to focus on rebuilding their lives without the added stress of providing holiday cheer for their loved ones.

This year, we're calling on you to help make the holidays bright for individuals and families facing unimaginable challenges. Your support can provide:

- Comfort to kids who have known fear
- Peace of mind to a parent/caregiver that is struggling to make ends meet
- A moment of joy to someone during a trying time

Inside, you'll find a list of the most-needed gifts this year, along with details on how to donate. Whether through gifts or financial contributions, every act of kindness ripples outward, creating waves of positive change in our community.

Your generosity doesn't just brighten the holidays; it brightens lives.

This holiday season, please consider supporting our Holiday Gift Program via gift cards, items from the idea list, and through monetary donations (our goal is \$9,500), to help fill the gaps in donations and complete the purchase of all needed items for our clients.
