

WHO WE ARE

For more than 48 years Tubman has worked to advance opportunities for change so that every person can experience safety, hope, and healing. As a multi-service organization, we help an average of 18,000 people per year of all ages, genders, and cultural backgrounds who are facing relationship violence, sexual assault, exploitation, homelessness, addiction, mental health challenges, and other forms of trauma.

WHAT WE DO

Our comprehensive services include safety planning; a 24/7 crisis and resource help line; shelter, transitional housing, and rapid rehousing; legal services including Orders for Protection and attorney representation; addiction-informed mental health services and relapse prevention groups; parenting education and child care; youth outreach, mobile case management, and in-school violence prevention education; support groups, job readiness and financial education; community education; and professional training for service providers.

Tubman's mission is to advance opportunities for change so that every person can experience safety, hope, and healing.
